

**COVID-19 PROTOCOL**  
**PROBUS CLUB OF AJAX**

The PROBUS Club of Ajax is a private social club for seniors. Given the ages of our members, it is imperative that safety be our highest priority. Our Club must manage the risk of COVID-19, as we re-introduce in-person meetings and activities. With this in mind, the Management Committee formulated the following Protocol:

**For the foreseeable future, all in-person gatherings of the PROBUS Club of Ajax, will require all participants to be fully vaccinated for COVID-19. In addition, a minimum of two weeks must have passed since the second shot was administered. These vaccination requirements include, but are not limited to, our monthly membership meetings, interest group activities, and social events.**

This is how it will work:

- a) When you are vaccinated for COVID-19, you receive a Ministry of Health Vaccination Receipt for each shot. When you attend your first in-person membership meeting, bring the Receipt for your second vaccine shot with you. Your name and the date of your second shot will be recorded, when you enter the meeting room. Admittance to the room will not be allowed if your Vaccination Receipt is not provided. The Social Co-ordinator, Interest Group Co-ordinator and House Co-ordinator for membership meetings, will have access to a list of fully vaccinated Club members, and use this list when approving attendance at their respective activities. Please note, when the Ontario Government Vaccine Certificate is introduced, it will replace the Vaccination Receipt, as proof of full vaccination against Covid-19.
- b) This COVID-19 Protocol will be implemented at our Club's first in-person membership meeting. If there are any interest group activities or social events sanctioned by the PROBUS Club of Ajax, which occur prior to the first in-person membership meeting, then you must provide proof of vaccination at that time in order to participate in same.
- c) If you decide not to be vaccinated for COVID-19, you may attend any virtual events offered by the PROBUS Club of Ajax. This includes our Hybrid membership meetings, and Interest Groups provided on Zoom and Trickster. If you are not vaccinated, do not attend any in-person meetings, interest group activities or social outings etc. held by the PROBUS Club of Ajax.
- d) All COVID-19 Province of Ontario Regulations and Public Health Guidelines in effect at the time of the PROBUS Club of Ajax in-person gathering will prevail, including group size, physical distancing, mask requirements etc.

As stated above, member safety is of paramount importance within our Club. If you have any questions, please email them to [ajaxprobuspresident@gmail.com](mailto:ajaxprobuspresident@gmail.com)

I'm sure we're all looking forward to the opportunity of meeting again in-person. What a joy it will be to socialize with friends we haven't seen for many months.

Take care and stay safe.
