

## In-Person Activity Guideline

As we begin to resume in-person activities, we would like to remind our members that there is always a possible risk involved when socializing. Your personal decision to participate in any PROBUS in-person activity should be made knowing you are taking full responsibility for that decision. The PROBUS Club of Ajax can not be deemed responsible for the decisions of individual members. Your own personal health and safety should be your first concern. For everyone's safety, participating in a PROBUS Club of Ajax in-person activity will require you to be fully vaccinated and follow all Health Department and Provincial guidelines.
