Day 3

Moving north we will visit the Port au Choix National Historic Site. Here you will find the crossroads of 6000 years of human history. The sea's bounty drew Maritime Archaic Indian, Dorset and Groswater Paleoeskimo, and Recent Indian's here long before Europeans arrived. Seals on passing ice flows were hunted by the Dorset and used for food, shelter and clothing. Today's included meals are Breakfast, Lunch and Dinner. (B, L, D)

Overnight in St. Anthony's

Day 4

This morning you will make your way to the UNESCO National Historic Site, L'Anse aux Meadows. It was here in 1960 that a group of archeologists discovered the remains of what was an ancient Norse encampment that would have housed as many as 100 Vikings. While here, you will have a chance to view some of the recovered artifacts. Your guide will also go over how the encampment was discovered. Near the original encampment are several re-created sod and timber buildings depicting how life was lived 1,000 years ago. In the afternoon, we will take a guided tour of Sir Wilfred Grenfell Mission. The Grenfell Mission provided some of the earliest permanent medical services in Labrador and northern Newfoundland. Before the mission opened its first hospital at Battle Harbour in 1893, almost no health-care resources existed in the area. Dinner is included. (B, D)

Overnight in St. Anthony's

Day 5

This morning we will leave the northern peninsula. There will still be many opportunities to enjoy its natural beauty and your driver will make stops along our route to allow time for picture taking. Lunch will be enjoyed at the St. Mary's Botanical Garden with entertainment. (B, L)

Overnight in Rocky Harbour

Day 6

After breakfast, we will make our way to Gander. Gander is most famous for the role that it has played in Canadian aviation history. This role extends back the 1930's and was most prominent in World War II when over 10,000 airmen were stationed in Gander. Most of the streets in Gander are named after famous aviators, such as Amelia Earhart, Alcock and Brown, Charles Lindbergh, Eddie Rickenbacker, Marc Garneau and Chuck Yeager. (B)

Overnight in Gander

Day 7

Today you will make your way to visit Twillingate, one of the most picturesque outports in all of Newfoundland. Located on the northeastern shore of Newfoundland, Twillingate is affectionately known as the 'Iceberg Capital of the World'. Twillingate was once an active fishing community and is one of the oldest ports on the island. Today's included meals are Breakfast, Lunch and Dinner. (B, L, D)

Day 8

Your journey today will take you to Bonavista and Trinity. In Bonavista you will have the chance to view the cliffs and enjoy the wonderful coastal scenery. It was here that John Cabot made landfall in 1497. This is also a major center for the fishing industry in Newfoundland. From Bonavista you will move on to Trinity. Trinity is one of the oldest communities in North America and is a gem of a village. Today's included meals are Breakfast and Lunch. (B, L)

While the city owes a great deal to the fishing industry, it has been transformed into a modern city famed for its nightlife and its rich musical culture. Evening is free. Dinner on your own. (B)
