

The PROBUS Club Ajax has a number of small groups coordinated by volunteers that cater to various interests such as walking, family history, card games, golf, lunching out, a book club and more.

PROBUS Club of Ajax

PROBUS is a world-wide organization of retired and semi-retired people who join together to keep their minds active, expand their interests and meet new friends.

Today there are approximately 300,000 members in over 4,000 clubs across more than 20 countries. PROBUS is somewhat of a phenomenon as the growth is explosive and new clubs are being sponsored every year.

As of September 2019 there are 249 active clubs with over 37,600 members in Canada.

The PROBUS Club of Ajax was the first in Durham (there are now 9 Durham Clubs) and we recently celebrated our 20th anniversary.

We meet on the first Wednesday of the month at the Ajax Community Centre (75 Centennial Rd, Ajax), in the HMS Ajax Community Hall. We have just over 200 members and our average meeting attendance is around 110-120.

Meetings start at 10:00 a.m. and are usually finished just before noon. We start with a short business meeting and announcements, break for coffee and to socialize, then reconvene to enjoy a guest speaker.

Guest speakers have entertained us on a wide variety of topics and have included authors, lawyers, tax specialists, and experts in various fields of interest.

Our social committee is always busy organizing a variety of activities including a summer BBQ and Christmas luncheon, day trips such as theatre outings, river cruises and wine tastings, as well as trips that are 3-5 days long to places like Cape Cod, Ottawa and Quebec.
